

Finance Student Analyst

Accunia Credit Management is a data-driven asset manager specialising in investments in structured credit, private debt, and high yield bonds established in 2009. Our 35 employees manage more than DKK 20 billion on behalf of institutional and private investors through our CLO vehicles, alternative investment funds, and managed accounts.

How will you make an impact?

We are recruiting a new member for our student team to support the Finance Department. As a Student Analyst in Finance, you will have the opportunity to gain hands-on experience in various aspects of finance, accounting, and other business operations. You will be part of a small yet highly complex organisation, where the Finance Department plays a crucial role in various aspects of the business. You will assist in:

- Driving automation projects to further improve processes and financial reporting
- Preparing posting files and performing bookkeeping tasks in our ERP system (e-economic)
- Preparing reconciliations of various financial accounts, and supporting the preparation of financial management reporting
- Providing administrative support to the Finance and Operations Team, including filing, organizing documents, and data entry
- Assisting with ad-hoc accounting tasks and special projects as needed

How will you qualify?

You are currently studying for a bachelor's or master's degree in finance, accounting, or a related field. Additionally, we value that you:

- Have a strong interest in finance and accounting
- Take responsibility and ownership of your tasks, with respect for deadlines
- Take attention to detail, and have a structured work approach
- Have proficiency in MS Excel
- Is a team player with an analytical, ambitious and proactive mindset
- Have proficiency in written and spoken Danish and English
- Are able to process and extract relevant information from complex data

Ideally, the candidate will also:

- Have experience in finance and accounting
- Have experience with e-economic or other ERP-systems, and/or experience and interest in programming languages such as VBA, SQL, and Python

What do we offer?

We believe work should be engaging, rewarding, and offer opportunities for growth. With our flat organisational structure, you will have the possibility to contribute shaping your own position over time. As a student analyst at Accunia, you will receive:

- A challenging and rewarding part-time position of +400 hours per year with flexible working weeks
- Knowledge of and work with finance and accounting
- A social student environment with plenty of company events
- A dynamic, friendly, and international workplace with highly skilled and dedicated colleagues
