

Accunia appoints Mads Romild as Head of Accunia CLO Platform

Copenhagen, 3 December 2018 – We are pleased to announce that Mads Romild will take on the overall responsibility for the Accunia CLO platform. Mr. Romild will continue as Chief Investment Officer and will thus be heading all Accunia’s investment strategies. Further, Andres Garcia Bartolome and Rajiv Thaker are promoted to senior portfolio managers and will be responsible for the portfolio management of the three existing and all new Accunia CLOs.

Mr. Romild has 18 years of experience and has been pivotal in establishing Accunia as a specialty asset manager in European structured credit, private debt and high yield. Andres Garcia Bartolome and Rajiv Thaker have 9 years and 10 years, respectively, of experience in financial markets. Both have delivered consistently strong results for Accunia and demonstrated a mind-set of investing and managing risk that reflects Accunia’s investment philosophy.

“The Accunia management team is very pleased that we are able to promote internally and confident that, in taking over the portfolio management responsibilities, Mr. Bartolome and Mr. Thaker are strengthening the team. We expect them to continue to deliver strong results for investors in Accunia CLOs,” says Henrik Nordby Christensen, CEO of Accunia.

Portfolio manager Sergio Grasso will step down from managing the Accunia CLOs. Mr. Grasso will for the coming period continue as a consultant and advisor for the Accunia CLO platform. “We want to thank Sergio Grasso for his hard work and dedication to growing Accunia into an international asset manager,” says Henrik Nordby Christensen, CEO of Accunia.

Accunia aims to issue a new CLO every 6 to 12 months subject to market conditions. In conjunction with Accunia’s continued growth, we expect to recruit additional investment professionals in 2019. Accunia’s investment team currently consists of 13 investment professionals.

Please do not hesitate to reach out if you have any questions.

Yours sincerely,
Accunia Fondsmæglerselskab A/S
